

## QUALITY, HEALTH AND SAFETY, ENVIRONMENT POLICY

CONTARINI LEOPOLDO S.r.l. has decided to pursue a **Quality, Health and Safety and Environment policy** with the aim of:

- guaranteeing the highest level of customer satisfaction by continuously improving both its ability to listen to the Voice of the Customer and its performance in delivering products and services.
- ensuring the health and safety of workers and improving operational arrangements for prevention and protection;
- to safeguard and protect the environment from possible environmental impacts of the company through effective management of the company's environmental aspects.

The primary objectives that **CONTARINI LEOPOLDO S.r.l.** poses are:

- Identifying and **satisfaction** of needs and expectations of all stakeholders, internal and external;
- **Compliance** and continuous respect of the applicable legal requirements;
- **Consolidation** and improvement of the business aimed at playing a leading role in the sector;

To achieve these objectives **CONTARINI LEOPOLDO S.r.l.** intends:

- **review** at regular intervals the Quality, Health and Safety, Environment Management System applied to all the company processes that contribute to the realisation of the products and services supplied, to the protection of health and safety in the workplace, to the safeguarding of the environment;
- **undertake to comply with Quality standards**, ensuring a system based on a process approach and an analysis of risks and opportunities in relation to the business context, demonstrating that all measures have been taken to have confidence that the product complies with requirements;
- **increase competitiveness** and improve product quality through constant technological innovation;
- **promote staff training, awareness and knowledge** actions in order to develop the **culture of Quality, Health and Safety and the Environment** and to ensure the conformity of products with the expected levels of quality, safety and environmental sustainability;
- **informing and raising awareness** among suppliers and customers about the company's management systems and monitoring their effective implementation.

To this end, **CONTARINI LEOPOLDO S.r.l.** has voluntarily adopted a Management System that complies with the UNI EN ISO 9001, UNI EN ISO 14001 and UNI EN ISO 45001 standards.

By achieving these objectives **CONTARINI LEOPOLDO S.r.l.** aims to:

- increase its effectiveness on the market by pursuing customer satisfaction as a key element;
- maintaining and improving health and safety conditions in the workplace;
- respect and safeguard the environment, with respect to business processes.
